TAD-716

REMOTE OPERATION INSTRUCTIONS

Cat. No. 43-716

For detailed instructions, see the owner's manual.

To set the TAD-716 to answer calls, dial your phone number. The TAD-716 answers after 12 or 14 rings. Hang up the phone.

To hear messages, dial your phone number. When the beep sounds after the TAD-716 plays the outgoing message, enter the remote operation security code.

At the end of all messages, a series of beeps sounds.

To replay messages, wait 5 seconds after the beeps. When you hear a single long beep, reenter the remote operation security code.

To erase messages after playback, enter the remote operation security code within 5 seconds after the series of beeps. When you hear 2 short beeps, hang up.
